Name(s):Mike Eng, Nils Christoffersen, Kris Stein

Date:3/03/17 – 3/20/17

Summary of comments:Mike, Nils and Kris spent some time exploring options for conducting some additional collaboration. Look for ways to continue to engage the community and maintain good relationships, but not completely start the project over. Discussed timelines, design, and use of a 3<sup>rd</sup> party neutral facilitator.

After some additional review by the Forest Service, the Forest Service decided to move forward with the work that had already been completed. Felt the existing process address the Farm Bill guidelines.
